

**Application Control Number: 10/822,276**

**Art Unit: 3724**

**Reply to Office Communication, Mail Date 01/16/2009**

**1. Informalities Objected to:**

**Re: The Reference that " The specification should be amended to make reference to the 3/8 - 16 threads".**

**The reference to 3/8 - 16 threads was made in the Claims 1. (Currently Amended) submitted 12/08/2008 in response to Office Action of 09/16/2008 and is repeated in this attached submission of Claims 1. (Currently Amended).**

**2. Quotation of 35 U.S.C. 103 (a) reviewed as pertaining to the objections set forth in the Office Action of 01/16/2009; especially as regards "Patentability shall not be negated by the manner in which the invention was made".**
